

Fossa  Apparel

**2024 CATALOG**

## highlight of Fossa's sustainability efforts

- Starting with new shipments arriving in Fall 2021 and beyond, Fossa is transitioning to the use of **polybags made with 100% recycled materials**.
- **131.8 kW solar panel system** installed on rooftop to convert more than **98% of our energy usage to renewable source**. Completed December 2019.
- Four **Level 2 charging ports** installed in parking lot to encourage and support the use of electric vehicles. Completed January 2020.
- Office and warehouse building was entirely converted to energy efficient **LED lighting** in June 2016.
- All building windows are tinted to reduce UV and reduce energy use for cooling.
- It is company policy that all internal use and non-confidential paper are reused and printed on both sides before recycling.
- Paper, cardboards, plastics recycling on site.

## Fossa invests in plastic waste reduction

It is estimated that the world produces 380 million tons of plastic every year, and that number could likely increase. While Fossa has a few eco-friendly items in our line, Fossa has taken a much more immediately impactful step by changing ALL new packaging to polybags made with recycled materials. We hope this change as well as our other on-going and future efforts at being environmentally friendly will make a stronger direct impact to waste reduction. Fossa is committed to being a responsible tenant on this planet, and will continue to look for innovative solutions to help our environment.

*The recovery of 1 liter of bottles can reduce the carbon dioxide emissions by 0.042 kg, and each recovery of 20 PET bottles can be processed into a t-shirt.*

*We have tested most of our core products for lead and phthalates for CA Prop65 compliance. Below is a list of products that have been tested and are Prop65 compliant without warning label requirement. Test reports available upon request.*

## Family Owned

Fossa Apparel is a women and minority owned apparel supplier in the branded corporate products industry located in the San Francisco Bay Area.

*When Judy, Andy, and Michelle founded Fossa in 2007, they shared a vision to create a line of apparel to match the styling and quality of retail brands.*

*Fossa Apparel's designs can be described as a bridge between outdoor sportswear and urban streetwear. Taking best of both worlds, Fossa products merge the practicality and utility of outdoor sportswear and the comfort and fashionable styling of urban streetwear.*

*Unlike many apparel companies, Fossa starts its design process with the women's version first. It is actually much better to modify a women's design for men than it is to carve a women's cut into a design originally for men. This unique perspective makes their clothing fit women, whose styling and fit preferences are often overlooked in the corporate apparel market, as well as they fit their male counterparts.*

## Our History

**"Michelle and her parents Judy and Andy founded Fossa Apparel in 2007"**

Michelle and her parents Judy and Andy founded Fossa Apparel in 2007, with the mission of bringing stylish, retail quality apparel to the corporate market. Family members William and Eric later joined in and have been working together for over a decade building Fossa to be a trend leading brand in the promotional products industry.

Each one leans upon his or her individual strengths and together they have built one of the most unique and desirable apparel

companies in the industry. This modest family business print to be a trusted apparel brand with major distributor with major distributor partners nationwide. Rapid growth doesn't happen overnight as our industry is extremely relationship driven. Fostering relationships and gaining trust takes time. With dedication and laser focused on providing best service to our customers, we have reached a new level of growth.

Fossa opened a 66,000 square foot warehouse and production facility at the heart of Silicon Valley in January 2014 to increase inventory and production capacities to better handle growing demands. We are

in a great position to embrace many unique projects with our ability to offer a wide range of unique decoration methods all under one roof. Fossa has fulfilled numerous large, complicated, and multi-faceted projects, including Cisco System's 25th Anniversary gift program, Gilead 25th Anniversary gift program, Google campus employee store programs, Coca-Cola holiday catalog program, Microsoft campus retail store, and many, many more.

The achievements are the fruit of a collective labor. We are proud of our employees and the diverse background of our crew. Without the dedication from our employees, we would not have so many loyal and happy customers. Fossa is a family business to the core and our employees are a part of our family.

# Giving Back

We are constantly seeking opportunities to give back and make donations that will directly impact our local communities and beyond. We have partnered with several organizations to help get our resources into the hands of those in need, including:

### Give Back Box

Through Give Back Box, Fossa donated \$250,000 worth of clothing to refugees fleeing the war in Ukraine

### Tzu Chi USA

An international humanitarian organization whose mission is to relieve the suffering those in need while creating a better world for all through compassion, love, and hope.

### World Harvest

Los Angeles non-profit focused on providing essentials to at-risk communities.

### Project Lemonade

Portland Oregon based non-profit that supports foster youth

### Gardner Health Service

Healthcare Provider in San Jose, California

### Milpitas Police Department

The Milpitas Police Department is committed to the protection of lives and property by working with our community, and providing professional and responsive police services.

### Youth Homes Thrift Shop

A non-profit shop in Pleasant Hill, California, that raises money to support the needs of foster youth and youth impacted by trauma.

## GENERAL INFORMATION:

• Fossa will make the best effort, but offers no guarantees to ship blank orders placed by 12:00 p.m. (PST) on the same day (subject to availability).

## RETURN & EXCHANGE POLICY:

Return & exchanges must be made within 30 days of receipt. Please make sure you examine the product(s) carefully and notify Fossa of any defect prior to decorating the products. A credit memo will be issued within 2 weeks after the return has been received, examined, and approved. A 10% restocking fee may be applied if the item(s) are returned after 30 days. We will not accept returns deemed unusable or unsellable unless otherwise approved. To download the return form, please go to: <http://www.fossaapparel.com/forms/FossaApparel-ReturnForm.doc>.

## EXTENDED SERVICES AVAILABLE:

Personalization services are also available for additional costs (including, but not limited to):

- OEM/private label programs - pick your own color and customize the design of your clothes
- Your artwork or logo revision from our very own Art Department to meet our requirements (i.e. type setting, artwork re-edit to vector, etc.)

# IMPRESS YOUR CUSTOMERS WITH LASER ENGRAVING

METHOD/QTY	LASER (D) Standard Size = W" x H" < 10	LASER (D) Oversize = W" x H" > 11
24-48	\$6.95	\$22.35
49-100	\$6.15	\$21.55
101-287	\$5.40	\$20.80
288 & more	\$5.00	\$20.40

- Set up fee/digitizing at \$45 (D)
- MOQ at 24 pcs/order
- Standard lead time is 7-10 business days after your sample or swatch is approved. Lead time may be longer in busy season.
- Complimentary swatch proof is created for your approval prior to production - normally sent via e-mail as a photo or can be mailed.  
First 2 revisions are complimentary.  
\$7.70 (D) per swatch thereafter
- Rush fee:  
\$3.00 (D) / per item - 24 hour turn around time  
\$1.50 (D) / per item - 48 hour turn around time
- Name drop - \$15.40 (D) per item
- Rush service may not be available during busy season. Please check with the Fossa team before booking your order.

## Gloss Laser

A new decoration technique that will produce the monotone, built-in look of traditional laser engraving, but add a touch of contrast with a glossy finish. Your imprint will pop more while maintaining the classy and professional look of laser. Gloss Laser has a similar look as rubber print, but without the high minimums and it will never fall off!

- Same setup fees as laser
- Cost is additional \$1.10(D) /piece on top of traditional matte laser cost.
- Standard production time is 7-10 business days after your sample or swatch is approved
- Minimum order per logo is 24 pcs
- Artwork formats accepted: EPS, AI or PDF
- Your imprint will pop more while maintaining the classy and professional look of laser.

*\*Gloss Laser not applicable on fleece material, gloss effect varies, some colors may be more noticeable than others.*

# EMBROIDERY

METHOD/QTY	EMBROIDERY (D) Up to 7K Stitches
24-48	\$6.55
49-100	\$6.15
101-287	\$5.80
288 & more	\$5.40

- Set up fee/digitizing at \$92.30 (D)
- Add \$0.45 (D) per 1K stitches above 7K stitches
- Add \$0.45 (D) per color above 6 colors
- \$45 (D) applies on each revision (note revisions may delay production time)
- MOQ at 24 pcs/order
- Standard lead time is 7-10 business days after your sample or swatch is approved
- Polybag is available at \$0.80 (D) per unit. Must address polybag on your purchase order if the service is necessary.
- First 2 swatches at standard stitch count (within 7K stitches) are complimentary. Each additional swatch will be charged at \$4.50 (D)
- Rush fee:  
\$3.00 (D) / per item - 24 hour turn around time  
\$1.50 (D) / per item - 48 hour turn around time
- Rush service may not be available during busy season. Please check with the Fossa team before booking your order.

Fossa Apparel uses top quality Tajima machines to produce crisp and clean embroideries that will recreate even complex logos with perfect details and PMS matched colors.

# HEAT TRANSFER

Fossa Apparel can perform full color, or even 3M reflective heat transfer on many of our styles. There are many variables that determine the cost of a heat transfer job, including type of film, size, location, and quantity. Please contact us directly for a detailed quote for your project.

METHOD/QTY	HEAT TRANSFER (D) Standard (up to 1225sq. in. W x H)
24-48	\$8.10
49-100	\$6.95
101-287	\$6.55
288 & more	\$6.15

- Minimum order qty: 24 pcs
- Transfer set up:  
- \$70 (D) on all new artwork  
- \$30 (D) on repeating artwork
- Production lead time. Please allow 15 working days for production once proof is approved
- Pricing chart only is only labor charge, does not include film cost, for quote of specific type of film for your project, please contact us.
- Choose from a selection of core stocked colors. If we don't have your matching pms color, not a worry, we can create the exact color you need for \$60 (D) per color.

## HOW TO MEASURE

SLEEVE LENGTH: Measured from center back to cuff

CHEST: 1" below the armhole

WAIST: Measured around the waist

Size specifications are based on approximate body measurements.

Please contact our customer service representatives for additional details and specifications for each style.
