Spot the 'Fresh Ideas' icon throughout our brochure, representing a selection of all-new, high-impact promotional products. From trendy novelties to innovative branding solutions, these items are thoughtfully curated to cater to your every branding need, ensuring your promotions leave a lasting impression.

Colorfy is a full color digital printing process that enables item decorating using artwork containing bold and vibrant colors. The Colorfy run charge can be found by the Colorfy logo throughout the catalog. Colorfy production times may vary during the busy season. Contact factory for rush jobs and above catalog quantities.

All American made items feature the USA icon. These products are decorated by American union workers. Union bug imprints are available free of charge. Just add this request to each purchase order.

The FDA Checkmark icon identifies products that are compliant with FDA requirements. Requirements and qualifications for FDA compliance vary by item and material. Please contact the compliance department for further details and information.

Silkscreen decorating allows for larger decorating areas on conical items. The additional Silkscreen run charge for each item can be found by the Silkscreen logo throughout the catalog. As production time may vary, allow at least 5-7 days for all Silkscreen orders. Please contact factory for rush jobs and above catalog quantity orders.

Laser engraved decorating adds an overall refined look. The additional Engraved run charge for each item can be found by the Engraved logo throughout the catalog. As production time may vary, allow at least 7 - 10 days for all Engraved orders. Please contact factory for rush jobs and above catalog quantity orders.

We have partnered with One Tree Planted to plant trees! For every order of a planter kit featuring this icon, a tree will be donated. One Tree Planted is a 501(c)(3) nonprofit dedicated to global reforestation. They plant trees to restore nature and biodiversity and offer businesses like ours a simple sustainability solution.
