Wanderer 2.0, GaN International Travel 35W PD Adapter

Meet the Wanderer 2.0. Upgraded with Gan (Gallium Nitride) technology, this adapter will deliver faster charging with a longer lifespan and mightier output! The Wanderer 2.0 retains the two USB and three Type-C ports design for multi-device charging, with one of the Type-C port now providing quick PD charge up to 35W. The attached spare fuse provides an emergency back-up. All packaged in a durable leatherette zipper pouch that will keep your adapter safe on the go. Works in over 150+ countries.
