3M Promotional Markets Benefits Program is based on total net sales of all qualifying published products shipped and invoiced during the previous calendar year (2025) ending December 31st. Distributors will qualify for the program benefits immediately upon reaching each sales level during the calendar year (2026) and those benefits will remain in effect for the remainder of that year (2026) and the following calendar year (2027). This benefits program is subject to change annually.
